

For students not requiring access to the College bus network for the full academic year, **our period-specific passes are sold on a standalone basis and priced to directly reflect the number of teaching days within each calendar month** (e.g. 15 days for October 2022, 22 days for March 2023, etc.).

With monthly bus passes there is no full year commitment and purchasing a pass for each subsequent period is optional (e.g. if intending to drive from December 2022, purchase only the September, October & November 2022 passes). Similarly, a pass can be purchased at any point mid-year and single/return fares (contactless payment preferred) are available on College services (excepting C16 & C27).

Purchasers of a monthly pass will be issued a digital bus pass on the MoreBus app for use on their chosen College service(s) and the Blue Star 6, 8 & 9 and the More Bus X1/X2, X3 & X6 public services (including use evenings and weekends; term time only passage on public services).

Bus passes are purchased through the College's online BrockShop. The BrockShop is accessed via the Student Portal and applicants can sign into the portal using their DOB and Student ID #.

For more information on monthly passes, please email travel@brock.ac.uk (travel enquiries), financialsupport@brock.ac.uk (bursary enquiries) or enquiries@brock.ac.uk (general enquiries) or **refer to the 2022/23 period-specific BrockShop products.**

Brockenhurst's bus services are provided by Go South Coast (GSC) - UK Bus Awards Operator of the Year 2018, UK Bus Awards Top Shire Operator 2017 & 2018 and Route ONE Large Bus Operator of the Year 2017 & 2018.

GSC have worked with Brockenhurst College for over 30 years and offer purchasers of a College bus pass the flexibility of travelling outside of College bus times. **FAY passes are valid for travel (incl. evening and weekend use) on GSC's BlueStar 6, 8 & 9 and MoreBus X1/X2, X3 & X6 public services during the academic year.** Public service use is not factored into the price of College passes and must be secondary to College service use (i.e. Brockenhurst College does not sell passes for use exclusively on public services; these must be purchased direct from the operator).
