

## Reasons to study **ACCESS to HE** at Brockenhurst College

1

### 98% PASS RATE

Our high pass rate (average over three years) reflects the quality of teaching and learning on the Access course, and the support our Access learners receive to help them to achieve.

2

### 56% TOP GRADES

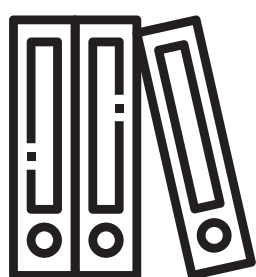

We have a 56% ABB+ grade profile, which means 56% of our learners achieve 30 credits at Distinction and 15 credits at Merit or higher.

3

### 93% GO TO UNIVERSITY

93% of our Access learners progressed to university in 2019, studying a wide range of degrees including: nursing, midwifery, social work, paramedic science, dietetics, biomedical science, forensic psychology, criminology, primary teaching, law and physiotherapy.

4

### A RANGE OF DIPLOMAS

Our Access diplomas are planned in consultation with local universities to ensure they meet the entry requirements for a range of degree programmes. We offer a pathway to suit most progression routes.

5

### EXPERT TEACHERS

Access teachers are not only experts in their subjects but also experts in supporting adult learners and preparing them for university.

6

### DEDICATED SUPPORT

Returning to study is a big decision and we understand the challenges facing adult learners. Dedicated tutor support and 1:1 support ensures our learners develop the confidence to become independent learners and the skills they need to succeed at university.
