

# C3 Bus Service Revisions - 2018/19 Summer Term

The Brockenhurst C3 service does not operate during the final term

Marchwood/Garden City students should use the existing C5 service

Hythe students should use the revised C1 service - please note that the Hythe Ferry stop is not serviced post-05/04/2019

C1/C5 stops are on the opposite side of the road to C3 stops due to direction of travel (>> identifiable below >>)

The C1 service has been extended to include Hythe Hospital, Tesco Express (ex. Croft PH), etc.

The Hythe Ferry stop has been replaced with a new C1 Langdown Hill stop (opposite junction of Langdown Road/South Street - see map below)

In the AM then C1 will operate down South Street (turning right off Langdown Lawn/Beaulieu Road) to service the Langdown Hill stop, turn left onto Mousehole Lane and then right onto Southampton Road to resume the normal C1 route and service the Hollybank Crescent stop. In the PM the C1 will turn left post-Hollybank Crescent into Mousehole Lane to service the Langdown Hill stop.
